Specifically designed with the passenger in mind, the Jetstream 32EP is a true airliner and boasts the largest cabin in the 19-seat class of aircraft. The Jetstream 32EP offers exceptional passenger comfort with amenities such as an onboard toilet and galley facilities together with a full stand up cabin, leather seating and Air Conditioning. The Jetstream 32EP also offers excellent performance.

High operating speeds and a pressurised cabin allows fast and direct flights to your destination at altitudes above the majority of uncomfortable weather. As an example of the Jetstream 32EP's capability, the length of New Zealand from Kaitaia to Invercargill is 820nm and the Jetstream 32EP's flight range is 1000nm. The Jetstream 32EP truly is the **preferred 19 seater**.
