With the addition of the new Gulfstream G200 to the fleet in mid 2007 Air National has truly entered a multi Jet service operation. The G200 can easily accommodate 09 guests in relaxing comfort while cruising around the Pacific and further afield to other Pacific Rim destination's. Equipped with the latest in onboard satellite communications and in-flight entertainment systems the lounge style seating and full galley service truly provides that full cabin service at mid size Jet economics.
